If human
ranks...

were determined
by the number of
followers you had.

How rude,
these are my
guests.

Letting my girl
invite you here
DO NOT JUDGE

We don't have to
put up with them.
Let's go.

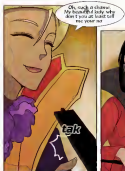

You can't just
leave after a long-
awaited reunion.

If they're
Makarov's guests...

then they can
also be called my
guests, too.

Why don't
you give me a chance
to formally introduce
myself?

something that I've
wanted this much.

Ohaihihoo~

Hihihihihihihihi

I forgot
about that

I can't believe we
went into the Rockhounds
and the Room at the
same time...

The Jorns are one of the oldest families associated with slave trade.

On top of that, they're very... cruel to their slaves.

What on earth do they think they're doing to a dragon?

Is that so?

Dragons are normally beings that humans shouldn't even lay their eyes upon!

Lonem...

DO NOT GARROR

To top it off, Richard...

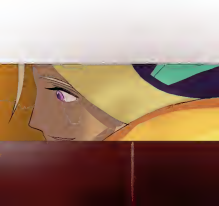

that "witch" that was quite strange.

As I approached him to check his monogram,

That soul was looking at me from beyond that thick cloud of darkness.

What can I even call that a soul to begin with?

If it were a humanoid, he would have responded to the dragon jewel, but it didn't.

Rather than a human, he almost seems like...

some sort of "artificial dragon artifact."

Yet... he has a human's appearance...

What the hell is he?

He seemed like a high-ranking contractor.

However, he did not have a contracted dragon artifact.

I found myself
encountering a human
that I did not see before
what he is, I should be
wary of him

I've never
seen Ms. Kusan

before...

Reana is not ugly.

That human's words
were wrong.

Thanks for cooling,
but it doesn't really
bother me...

Reana is pretty.

Very... pretty.
